

Friday Notes
from
MSSTATE Poultry Science

Friday Notes - to keep you informed about noteworthy news from Poultry Science at Mississippi State....and let us hear from you as well!

Faculty and Staff Travel and Activities:

- **Drs. Beck** and **Tabler** participated in the Mississippi Board of Animal Health meeting in Jackson, January 7, and met with personnel from BankPlus.
- **The Poultry Science faculty** participated in a day-long mini-retreat at the MSU Bull Barn, January 9, to initiate a strategic planning process that will continue throughout the semester and will culminate in an industry advisory board meeting and retreat in May.

Noteworthy News from Recent MSU Publications:

- **Mississippi LandMarks, Volume 10, Number 3, October 2014** at www.dafvm.msstate.edu features two Poultry Science Faculty:
 - "Poultry Partnership," p.7, describes the 2+2 articulation agreement between MSU and Jones County Junior College;
 - "Tornado Recovery," p.16, is an article about MSU assistance to farmers affected by the Louisville tornadoes, including **Dr. Tabler's** inputs.
- **"Prosperity in Poultry"** from **"Influence"** – the upcoming inaugural CALS alumni publication, a feature article on **Steve McLaurin, Peco Foods:** <http://www.cals.msstate.edu/alumni/pdf/mclaurin.pdf>

Congratulations and Welcome:

- Little **Miss Sophia Zheng**, daughter of **Drs. Wei Zhai** and Lei Zheng, December 30, 2014; 7lb, 9oz; 20" long. Mother and baby are doing well.

We welcome our students back as they return this week from the holiday break; best of luck in your classes this semester!
