Apologies...

The recent MS Poultry Hall of Fame Reception (Oct. 12) at Hill Poultry Science was a wonderful get-together with friends, noted in the last issue of **Friday Notes**. Unfortunately, crossed wires with Parking Services resulted in a number of parking tickets, which is not a good way for Mississippi State to treat our guests. So we apologize! If you did get a ticket and have not mailed it to us, please do so (Poultry Science, Mail Stop 9665, Mississippi State, MS 39762) and we will take care of it for you.
